The Milwaukee Numismatic Society, founded in 1934, is the oldest and largest organization in Milwaukee devoted to the study of money. Meetings are held at 7:00 PM on the third Thursday of each month in the Community Room on the lower level of Mayfair Mall (W. North Avenue at N. Mayfair Road). The annual MNS coin show is held in October.

September Coin of the Month: This month we have a proof 69 Roosevelt dime dated 1991-S. A great coin certified and encapsulated by PCGS, and the bidding starts at just $7. Bid high for this neat item.

September 2018 MNS President's Message

VERY IMPORTANT NOTICE!!! I received word from Mayfair Mall Management that temporarily, just for the September meeting, we will need to meet in an alternate location on the Mayfair grounds. DO NOT REPORT TO THE USUAL MEETING ROOM, no one will be there. So, for September, please meet at the North Tower at 2600 N. Mayfair Road in the Lower Level Atrium meeting space. This is apart and separate from the mall itself, located just north-west of Macy's Department Store. The mall is doing some improvements to that room and I understand we will be able to meet there again as usual for our October meeting. Please feel free to call me if there are any questions or issues.

A lot has happened since out last newsletter went out nearly two months ago. The club tour to the Medalcraft Mint in Green Bay was absolutely amazing and everyone had a memorable time. Our tour guides had worked their entire lives in the medal manufacturing business, so they were able to explain the production process to us from start to finish and answer all of our questions. Even though it was a Saturday and normal production was not occurring, they were still able to show us the trimming process and enameling process, which is all done by hand. All in all it was an excellent tour, and hopefully we may be able to do something similar again in a couple of years for those members who were unable to attend this time around.

The annual MNS coin show at Serb Hall is set to occur on Sunday, October 7th. The club does need any and all assistance you are able to provide in the form of setting up, manning the front tables, and tearing down at the end of the show. For those who signed up to set-up, please report to the hall promptly at 6:00 AM. As always, those who volunteer three hours or more will receive a complimentary banquet ticket. If you have been unable to sign up at the meeting for a volunteer position, please let myself or Tom Casper know what and when you can assist. As in year's past, the club will be selling raffle tickets, so please get your stack from Howard T. and sell, sell, sell. Everyone's help is greatly appreciated!

At our next meeting the club will host member and coin dealer Andy Kimmel. Andy will entertain the club on the topic of coin dealers, being a collector, and how to make a profit in the hobby. Andy has been in the business for quite a few years, so I am sure he will have many interesting and informative stories to tell us.

Again, please remember the change of meeting location for the month of September. Hope to see many of you there!

Happy Collecting,
Justin J. Perrault

Milwaukee Numismatic Society
Minutes August 16, 2018

The 992nd meeting of the Milwaukee Numismatic Society was called to order by MNS President Justin Perrault at 7:03 pm, August 16, 2018 with the Pledge of Allegiance to the flag. In attendance were 21 members and 2 guests.

Door prizes were won by: Tom D, Peter J, Dave H, D Kaminski, Tom C, Leon A, Nathan S, John B, Howard T and Scott B.

New Member: Scott Berg was unanimously voted as a new member to MNS.

The **"Coin of the Month"** was won by Steve J.

Treasurer's Report:
Since there was no formal meeting last month, Treasurer John Bleidorn reported a couple months of financial activity. For June there were $0 receipts and $16.99 is disbursements for a negative cash flow of $16.99. In July, there was a reported $10 in cash receipts and $886.73 in disbursements for a negative cash flow of $876.73. John also reported that he was able to get some metallic Life Membership ID cards. If any Life Member would like a card, let John know. Also, interest rates are increasing a little. Consequently, the return on our savings is also increasing.

Exhibits:
Peter J gave an exhibit on early stereo photography. Leon S presented some old Armenian cancelled checks. Justin P brought in an ANA Diamond Jubilee medal (1891 – 1966). John B told a little of his attendance at the Summer Seminar including courses he took in The Business of Being a Coin Dealer and Detecting Counterfeit & Altered US Coins.

Metalcraft Outing:
Members had an opportunity to go on a field trip last month instead of our normal monthly meeting. We toured The Metalcraft Mint, Inc. in Green Bay. We were shown the minting process from start to finish. It was a great outing: enjoyed by all.

1,000th Meeting:
In April 2019 MNS will be celebrating its 1000th meeting. President Perrault is looking to recognize this event by developing a commemorative medal. If you have any artistic abilities or suggestions please share them as we look to proceed with this idea.

Program:
Bruce B shared with the club his experiences at the ANA Summer Seminar. He talked about the Numismatic Paper of Early America. He told of his housing at Colorado College; gave a snippet of the ANA Headquarters and Muscum. He spoke of the YN Auction and the Colorado Springs coin show he attended afterwards.

The meeting was adjourned at 8:54 pm.

Respectfully submitted by Jim Heinrich, MNS Vice President

Engraved Brass Life Membership Cards Available for Members

After 2 years of researching suppliers for engraved metal membership cards, I was able to find a supplier who could produce them online for $1.60 each and mail them to us instead of the $20 quoted by local suppliers (that eventually weren't able to produce any). US firms are not apparently not producing custom metal cards anymore, similar to what the management at the Green Bay Medalcraft mint told us about consolidation of the industry.

If you would like an engraved metal life membership card with your name and life member number on it, please contact me or another member of the MNS board with the exact spelling of your name as you would like it to appear on your life membership card.

Sincerely, John Bleidorn, Treasurer (E-mail: john@bleidorncpa.com)
